

# Metal Clad Switch Fuse Unit Datasheet

## CU/M04-MFS

### DIMENSIONAL SKETCH:

HEIGHT	WIDTH	DEPTH
240	126	110

### CONSTRUCTION AND FEATURES:

- Ideal for isolation and protection of incoming supplies
- 18th Edition compliant populated mini metal enclosure
- 4 module
- IP44
- Drop down lid
- All steel construction
- Multiple knockouts (in all base surfaces)
- Pre fitted DIN rail for fitting modular components
- Pre fitted earth and neutral terminal bars
- Pre fitted with live and earth link cables
- Label pack included
- Included fuses: 60A, 80A, 100A
- FH1100 fuse holder (datasheet available)

### TECHNICAL DATA:

- Rated Current: max 100A
- Compliant to: BS EN 61439-3 and BS EN 7671
- Knockouts:
  - ◆ 2 x 25mm
  - ◆ 6 x 32mm
  - ◆ 1 x rectangular 60x40mm
- Earth bonding points for added safety
- Fuse size 58x22mm
