

Product Code: TPMS4125K

Description: 4 Pole 125A Main switch Kit - 8, 12, 16, 20 & 24 Way

### General Information

|  |                        |
|--|------------------------|
| Colour   | Light Grey             |
| Rated Operational Voltage (AC) (Ue)              | 415                    |
| Frequency (Hz)                                   | 50/60                  |
| Maximum Rated Current (A) (In)                   | 125                    |
| Utilisation Category                             | AC-22A                 |
| Rated Short Circuit Withstand Current (Icw)      | 12 Ie, t=1s            |
| Rated Short Circuit Making Capacity (Icm)        | 20 Ie                  |
| Rated Making & Breaking Capacity                 | 3Ie, 1.05Ue, COS =0.65 |
| Rated Insulation Voltage (V) (Ui)                | 690                    |
| Impulse Withstand Voltage (Uimp)                 | 6000                   |
| Main Switch Terminal Capacity (mm <sup>2</sup> ) | 50                     |
| Number Of Poles                                  | 4                      |
| Ingress Protection                               | IP20                   |
| Operational Temperature (°C)                     | -5 to +35              |
| Warranty (Years)                                 | 3                      |
| Standards  | BS EN 60947-3          |
| Main Switch Terminal Torque (Nm)                 | 2.5                    |

**Additional Information** For cleaning / polishing of products, use only a soft, dry, clean cloth.
