

ATC Cheetah High Speed Hand Dryer

Powerful and Robust

Description

Product Code	Z-2281M	Z-2281W	Z-2281B
Finish	Stainless Steel	White	Black
Warranty	2 Year	2 Year	2 Year
Activation	Automatic	Automatic	Automatic
Cover Material	Stainless Steel	Painted Steel	Painted Steel

Electrical Specifications

Voltage	220/240V
Frequency (Hz)	50 / 60Hz
Motor Type	Brush Type
Power Output	1475Watts
Motor Power	625Watts
Heating Power	900Watts
Amps	6.6Amps
Sensor	Fixed
Drying Time	15 seconds
Air Speed	65 m/s
Air Volume	133m3/h
Filter	Filter Included

Noise Level 75dB (at 1m)

Approvals CE CB

Safety Features

Motor Thermal Protection	Turns unit off at 135°C
Heater Thermal Protection	Turns unit off at 142°C
Time Protection	45s Auto Shut Off
Cover Screws Protection	Vandal Resistant IPX1

Size and Weight

Width	295mm
Height	320mm
Depth	170mm
Weight	4.5kg

Ideal for service stations, convenience stores and medium usage wash rooms.

Energy Efficient
Low Running Costs
Only 1475 Watts

High Performance
Powerful Airflow
Dries Hands in 15 Seconds

Quiet Operation
